The Fullerton Spa

An award winning spa destination nestled in the hallowed hallways of The Fullerton Hotel - a newly gazetted National Monument - The Fullerton Spa features a pampering selection of therapies using the product line by the award-winning UK based company, Aromatherapy Associates. In a nod to the hotel's storied past as the General Post Office and "Mile Zero", from which all of Singapore was measured; the spa therapists welcome spa sybarites with the following treatments:

- "Back to Mile Zero" - Aching Foot Relaxer, which refreshes and supports tired aching feet after a long day on the go with a specially selected combination of essential oils to stimulate and invigorate. The 45-minute treatment is priced at S\$80* (usual price for a 30-minute long treatment).
- "Post Office" - A treatment that helps relieve stress, this targets the back, shoulders, arms and scalp, common areas prone to aches and pain sustained by prolonged desk-bound work. Using De-Stress Muscle gel and De-Stress Massage oil infused with rosemary, lavender, black pepper and ginger, this massage instantly releases pain and tension. The 60-minute long treatment is priced at S\$128* (usual price is S\$160*).
