Christmas Light-Up Celebration and Charity Buffet Dinner at The Fullerton Hotel Singapore

Gather your family and friends to usher in the festive vibes on **25 November 2016** at The Fullerton Hotel's Christmas Light-Up Celebration. At **7.00 p.m.**, watch our hotel staff come together in a candle-lit march-in to the tune of "The Little Drummer Boy", performed by handbell ringers from the Ministry of Bellz. Enjoy complimentary festive goodies such as Glühwein (mulled wine), hot chocolate drinks and Christmas cookies as the hotel atrium lights up in brilliant festive glow.

After the Christmas Light-Up Ceremony, join the "**Fullerton Chefs for a Cause**" **Charity Buffet Dinner** at Town Restaurant. **Cavaliere Giovanni Viterale, General Manager of The Fullerton Heritage**, will specially don Chef's Whites instead of a business suit that evening. Led by Cavaliere Giovanni, the team comprising of **Executive Chef Sandro Falbo, Chef de Cuisine Carlo Marengoni and Senior Sous Chef Benedet Paolo**, will be stationed at the live pasta station at Town Restaurant. Watch them whip up well-loved Italian classics – Vegan Pumpkin Tortello and Paccheri Di Gragnano in Naples style with Tomato Braised Beef Ragout and Ricotta Cheese Flakes. Guests can also savour a hearty spread consisting of sumptuous Christmas dishes, as well as local and international flavours. The Charity Buffet Dinner on 25 November 2016 is priced at S\$98 nett per adult. S\$25 nett from each adult dining patron partaking of the Charity Buffet Dinner will be donated to Food from the Heart. S\$10 nett from the sale of each limited edition **Fullerton Santa Bear** will also be donated to the same charity. Donning the traditional Santa costume and hugging a mini snowman, this year's Fullerton Santa Bear will retail at S\$28 nett each at The Fullerton Shop located on the lobby level of The Fullerton Hotel.

Local Inspirations, Festive Traditions

Befitting of its rich heritage as Singapore's 71st National Monument, The Fullerton Hotel Singapore presents a full calendar of activities for lovers of culture, arts, design and heritage. Marvel at uniquely designed Christmas tree decorations handcrafted by **Singapore designer Melvin Ong from Desinere** as you enter the Grand Dame. Harking back to Fullerton Building's history as Singapore's General Post Office, each Christmas tree is decorated with origami birds, representative of homing pigeons delivering letters. For guests who are interested in making one-of-a-kind Christmas gifts, join a handicraft paper pleating workshop conducted by Melvin Ong at The Fullerton Hotel Singapore on **17 December 2016**. Each workshop, priced at S\$65 nett, allows participants to uncover the art and intricacies of paper folds and forms. The end result is a handmade paper vase - a perfect home display with a spray of floral bloom. To sign up for the workshop or to enquire for more information, visit www.thefullertonheritage.com/whatsnew.

For three days only, from **24 November to 26 November 2016**, make plans to purchase unique Christmas gifts from **KEEPERS** at East Garden Foyer located at The Fullerton Hotel Singapore. ANNEX C – LIST OF DESIGNERS AT KEEPERS FESTIVE POP-UP STORE

1. ACRE

Co-founded in 2011 by TY Zheng and Jason Song, ACRE operates from the industrial heartlands of Singapore. We are a multidisciplinary design house focusing on branding, experience, space and product design.

Our methodology melds chaotic exploration and scientific refinement. Every idea proposed needs to pass through our own internal process of cognitive sense and functional aesthetics. This we believe will aid our clients in creating brands that possess cut-through, consistency and consumer recall.

<http://acre.sg/v3>

2. BATU LESANG

Batu Lesang, in the Malay language, refers to a traditional mortar and pestle used in many cultures and cuisines. Inspired by the labour of love that goes into preparing the complex flavours of Southeast Asian cooking, Batu Lesang Spice Company aims to honor the artisanal methods and flavours with only the freshest quality ingredients. Avoiding preservatives, enhancers and fillers, our products are rich and flavourful spice pastes that bring you back to the good old days of home cooked meals.

<http://www.batulesungspicecompany.com>

3. CARRIE K.

Based in Singapore, CARRIE K. creates playfully provocative artisan-crafted jewellery that challenges traditional notions of what makes something precious and desired. Our jewellery tells stories that celebrate the beauty of imperfection and marvel at the mundane in everyday life. We are a little old school about taking the time and care to handcraft meaningful, covetable, little loves that will be valued for a long time.

We offer affordable luxury for well-heeled and well-travelled women and men. They seek uniqueness and appreciate contemporary design with a sense of humour, combined with traditional quality craftsmanship. Our fans span a range of ages but share a common “joie de vivre” and a strong sense of self.

“Our philosophy is best articulated through the words of Dr Seuss, who said, “I like nonsense- it wakes up the brain cells. Fantasy is a necessary ingredient in living. It’s a way of looking at life through the wrong end of a telescope...and that enables you to laugh at all of life’s realities.”

4. CODE DECO

A great fragrance is a source of joy and sophisticated self-expression. At CODE DECO, it is our ambition to create just such fragrances.

<https://codedeco.com.sg>

5. DEMOCHOCO

DEMOCHOCO is a small-batch chocolatier that looks to the world for seasonal produce in order to incorporate the best into their truffles. The chocolate truffles are made by hand to ensure the best quality and consistency.

6. GNOME AND BOW

Stories are the fabric of memory which make life entertaining and unexpected. Fairytales and folklore speak a language that is both universal and immortal, transcending the barriers of age and culture. GNOME & BOW was founded on that very notion that bags can go beyond functionality to become a new medium for storytelling, evoking the same emotions as our favorite stories.

The Gnome represents that element of fantasy while the Bow symbolises the mark of class. Together, the harmony of these elements guides us in our design philosophy.

Drawing inspiration from the classics to tales of fancy, we develop story elements that are imbued seamlessly into our goods. As with reading a book for the first time, exploring our products will uncover subtle and clever details that reveal a story you'll find familiar, but with a modern twist. Timeless as the stories that inspire us, we believe that our bags should be too.

Our collection of bags, wallets and small leather accessories are designed to be the perfect companion for the discerning individual.

7. K.BLU

Singapore luxury designer swimwear brand K.BLU releases a home collection in collaboration with Singaporean furniture design company Commune, for its fifth year anniversary.

K.BLU is famous for its unique, Asian-centric swimwear known for its variety of colorful intricate prints. Staying true to its sailing roots and signature style, both Creative Directors of K.BLU and Commune worked over the creative direction of the home collection showcasing a line of tableware and living products by applying KBLU's signature prints appliqué to exude the strength of harmony and stability.

8. LING WU

LING WU is a Singapore brand which creates luxurious handbags for modern, independent women. The purposeful collections of handbags and accessories use butter-soft leathers and hand-polished exotic skins to create soft, voluminous bags that embrace the wearer's body and lifestyle with voluptuous shapes and colours. Time certainly has no grasp on these designs, which become increasingly beautiful and graceful the more they're worn.

9. MATTER

MATTER is a socially motivated lifestyle brand based on Connected Clothing. We create clothing with stories to tell - connected to a time, place, process and person. We believe the world would be a better place if people asked where and why something was made.

Working with artisan communities and designers around the world, collaboration is at the heart of what we do.
