**SINGAPORE, 15 February 2017** – For the third consecutive year, The Fullerton Bay Hotel Singapore has been awarded the “Best Hotel in Singapore” in *DestinAsian* magazine's 12th Readers' Choice Awards. At the same time, The Fullerton Hotel Singapore is listed in the “Top 10” category.

The results reflect the best of the luxury travel industry and the appreciation readers share for hospitality standards they can depend on. General Manager of The Fullerton Heritage, Cavaliere Giovanni Viterale, shares a similar sentiment. “This accolade is testament to our continuous pursuit of service excellence. I am proud my team strives to constantly meet our guests' needs and deliver memorable experiences.”

*DestinAsian*, which is published by the Indonesia-based DestinAsian Media Group since 2001, is an established regional travel publication and started its first awards poll in 2005. This year's survey took place over three months from August to October 2016, and the votes are entirely based on the readers' entries. A total of 4,930 entries were received – the largest to date.

An awards luncheon was held at La Brasserie in The Fullerton Bay Hotel Singapore on February 15, 2017, where winners of the various categories sat down to a three-course set lunch and received their respective awards from Ronald Liem, Publisher and Managing Director of DestinAsian Media Group.

The awards are officially announced in the February/March 2016 issue of *DestinAsian*.
